

BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA

DOCKET NO. 92-191-T - ORDER NO. 92-927  
OCTOBER 28, 1992

IN RE:	Application of ENSCI Corporation,	)	ORDER GRANTING
	1108 Old Thomasville Road, High Point,	)	STAFF'S MOTION
	NC 27262, for a Class E Certificate	)	TO DISMISS
	of Public Convenience and Necessity.	)	

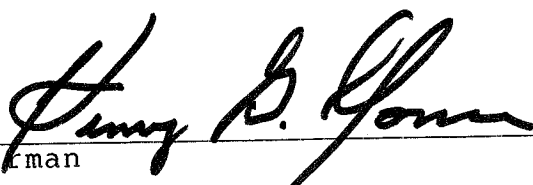

This matter comes before the Public Service Commission of South Carolina (the Commission) upon Motion by the Commission Staff to Dismiss the Instant Application. Staff's Motion is based on the failure of the Applicant to go forward with the Application. According to information obtained by the Commission Staff, the Applicant wishes that the Commission hold this Application in abeyance until there has been some final adjudication in the courts of the Wills Trucking Application, which was denied by the Commission. (See, Docket No. 92-206-T.)

The Commission has considered the Motion of the Commission Staff and finds that this Application was originally filed on April 1, 1992. Since that time, this matter has been pending before the Commission. The Application has been noticed to the public and intervention has been received. If the Commission were to hold this matter in abeyance until the courts have adjudicated the Wills

Trucking issue, this matter could be pending for a period of years. Therefore, the Commission has determined in the interest of administrative efficiency, that this Application should be dismissed. Should ENSCI Corporation wish to refile its Application at a later date, it shall not be prejudiced by this ruling.

IT IS SO ORDERED.

BY ORDER OF THE COMMISSION:

  
Chairman
